CGA Senior Interclub Qualifying-Week

Gentlemen,

For those of you who are interested in playing on North Ridge's Carolinas Golf Association senior interclub team this year, this week is qualifying week!. To make the team, you will need to play a qualifying round on the **Oaks Course** by Saturday, March 27th. Before your round, make sure to pick up an official scorecard in the Golf Shop and return the scorecard after play. The top twelve low net scores and seven captain's picks will make up North Ridge's team. Any additional questions, please contact Howard Doran or me.
