Senior golfers,

The SGA board and I would both like to welcome you all to the 2018 golf season. We have an exciting schedule of events lined up for all SGA members. We begin the season on March 14th with our first SGA play with the pro event. This event will give three golfers per month an opportunity to play with your professional staff. The event costs \$10 per person plus \$18 optional cart fee, and the format is two best balls net of the foursome. The two teams with the lowest scores at the end of the season will receive golf shop credit.

The CASMGA interclub schedule is finalized and available on North Ridge Country Club's website under the SGA tab. Interclubs are a great way to play private country clubs across the triangle. All interclubs offer breakfast, lunch, golf, and prizes for the low price of \$50. The first event is hosted by Twelve Oaks CC on April 2nd

The SGA will also host three reverse shotguns throughout the season. A reverse shotgun enables all players to tee off at the same time and clear the first tee with minimal impact on other members. The first reverse shotgun will take place April 10th. The shotguns will cost each participant a cart fee plus \$5 which will go towards the prize money. The SGA will pick up the tab for breakfast and lunch!

SGA Team and Individual Match Play events will return this year. We had an exciting finish to last year's team match play with three teams tying for first place and tying in the playoff too, and I am sure this year will be action-packed as well.

The SGA has created an exciting new event for the 2018 season, the SGA Cup. The SGA Cup is a points based year-long tournament to encourage participation. The SGA will subsidize this event which will enhance the prizes awarded to those who play in the most events and those who play well. A following email will go out in the next couple of days with the details of this exciting addition to the SGA schedule.

Lastly, signup for all events will be available one month prior to the event. You can access the signup sheets by logging onto North Ridge Country Club's website, clicking on the golf tab, scrolling down to golf calendar, and then click on the event you would like to play in. This will direct you to the Golf Genius registration site. A second way to signup is by clicking on the golf tab, scrolling down until you reach the senior golf association (SGA) tab and this will direct you to the SGA calendar. Quick links with "register now" are located in green on the right-hand side. Or, simply call the golf shop at (919) 847-0796 and your professional staff will be happy to assist you. I look forward to see everyone this season and if there is anything I can do to make your golf season more fun, please do not hesitate to contact me at cbrumbaugh@northridgecc.org.

Sincerely,

Chris Brumbaugh, PGA
1st Assistant Golf Professional
